

HOW TO APPLY FOR A HOTSHOTS SCHOLARSHIP

There are a limited number of 50% scholarships available during each HotShots session, and they will be granted on a first come, first served basis. Scholarship Applications will not be accepted after the registration deadline for each session. The following 3 steps must be completed in the Scholarship Application process before your player can be placed on a team:

- 1. REGISTER YOUR PLAYER ONLINE.** If your player qualifies for a scholarship (please see the Scholarship Program Guidelines to determine if he/she is eligible), the first step is to register him/her for the session he/she wishes to play. You will do this online through our website. Be sure to do the following when registering:
 - In the “additional comments” field, please type the words: SCHOLARSHIP APPLICANT.
 - At the payment portion of the process, choose to “pay by check”.
 - Once you have completed the online registration, your child’s account will show a balance due of \$98 (upon approval of your child’s scholarship, that balance will be adjusted to reflect the 50% reduction in fees).

- 2. MAIL YOUR SCHOLARSHIP APPLICATION AND SUPPORTING DOCUMENTS TO HOTSHOTS YOUTH SPORTS.**
The HotShots mailing address is: PO Box 87279, Vancouver WA 98687.
Before your player can be considered for a scholarship, you must submit the following:
 - A completed copy of the Scholarship Application for your player (this can be found on the HotShots website, under “Forms & Documents”)
 - Proof of income (most recent paycheck stubs and/or tax returns)
 - Proof of dependants
 - Proof of eligibility for FREE school lunches if your child participates in that program

- 3. MAKE YOUR PAYMENT.** You have two options for paying the remaining portion of your player’s registration fee. You can either:
 - Send a check or money order for \$49 (made out to HotShots Youth Sports) with your Scholarship Application (this is the quickest way to complete the application process).
 - OR-
 - Wait until you hear from HotShots that your player was approved for the scholarship. At that time you can pay by credit card over the phone or online.

PLEASE NOTE: Your player will NOT be placed on a team until ALL steps of the Scholarship Application process are successfully completed, and payment is received. Failure to provide proper proof of eligibility, or failure to complete the process in a timely manner could result in loss of eligibility.

A separate application is required for each child, and for each session that you wish to apply.
