A limited number of 50% scholarships are available through HotShots Youth Sports, and are granted on a first come, first served basis.

It's HotShots Youth Sports' intent to give as many children as possible the opportunity to participate. Hardship and other unusual circumstances will be considered in addition to the above income guidelines.

Qualification for free school lunches will waive the income requirements and automatically approve the participant for HotShots assistance.

Guidelines are subject to change, without notice as deemed appropriate by HotShots Youth Sports.
